It's Business As Usual

The endless summer of 1980 is in the past as we, the students of Father Lopez High School prepare, with varying degrees of enthusiasm, to embark on that nine month journey down the long and winding road.

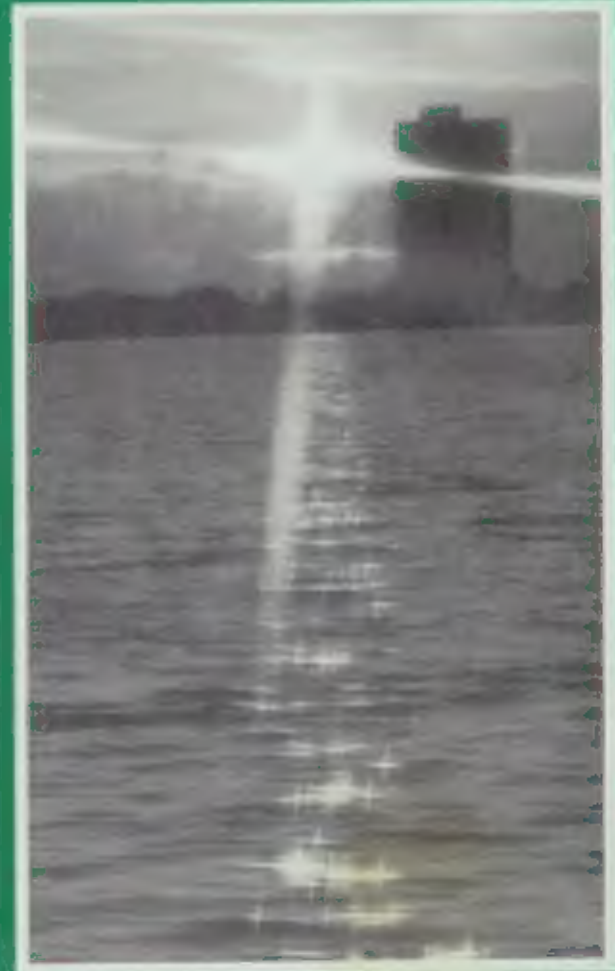

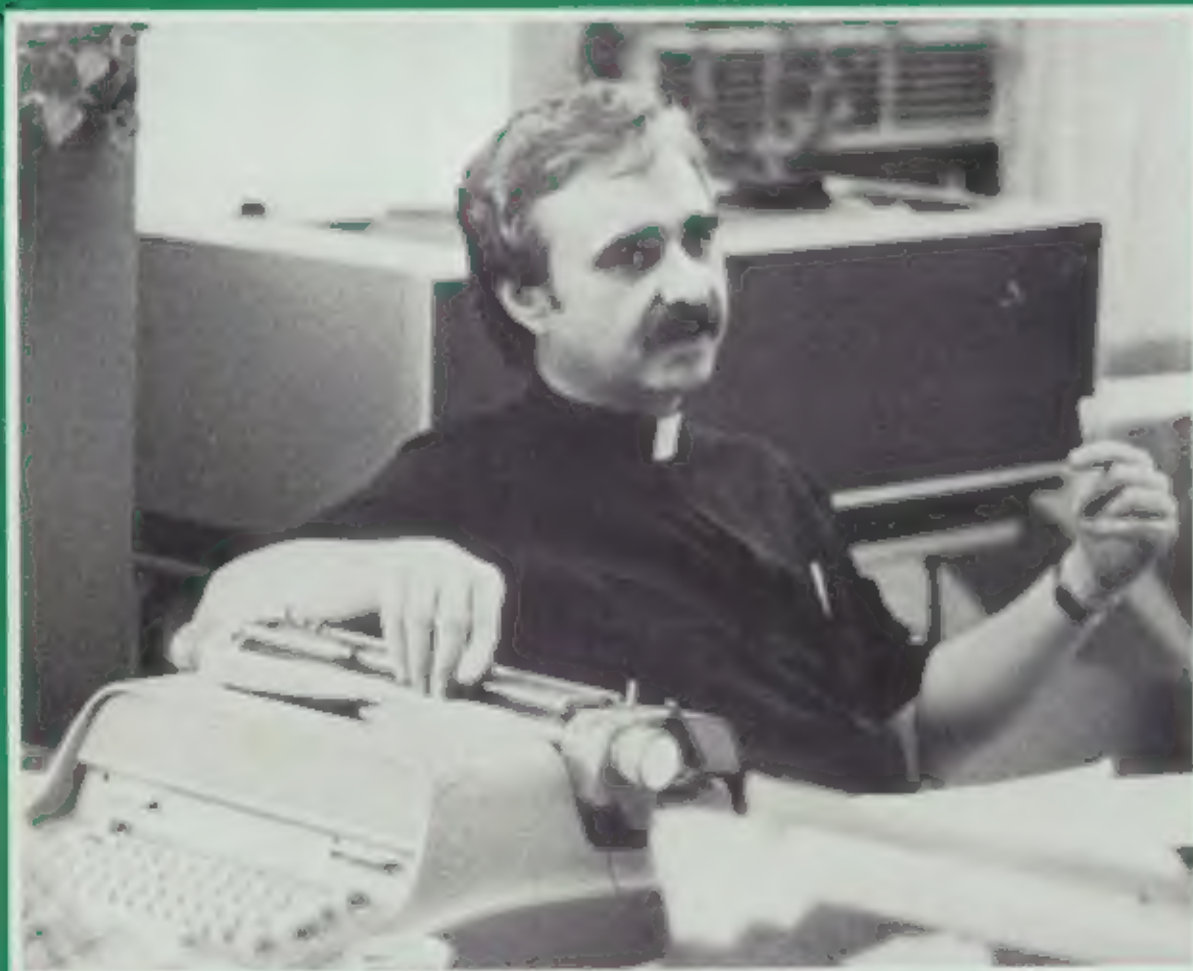

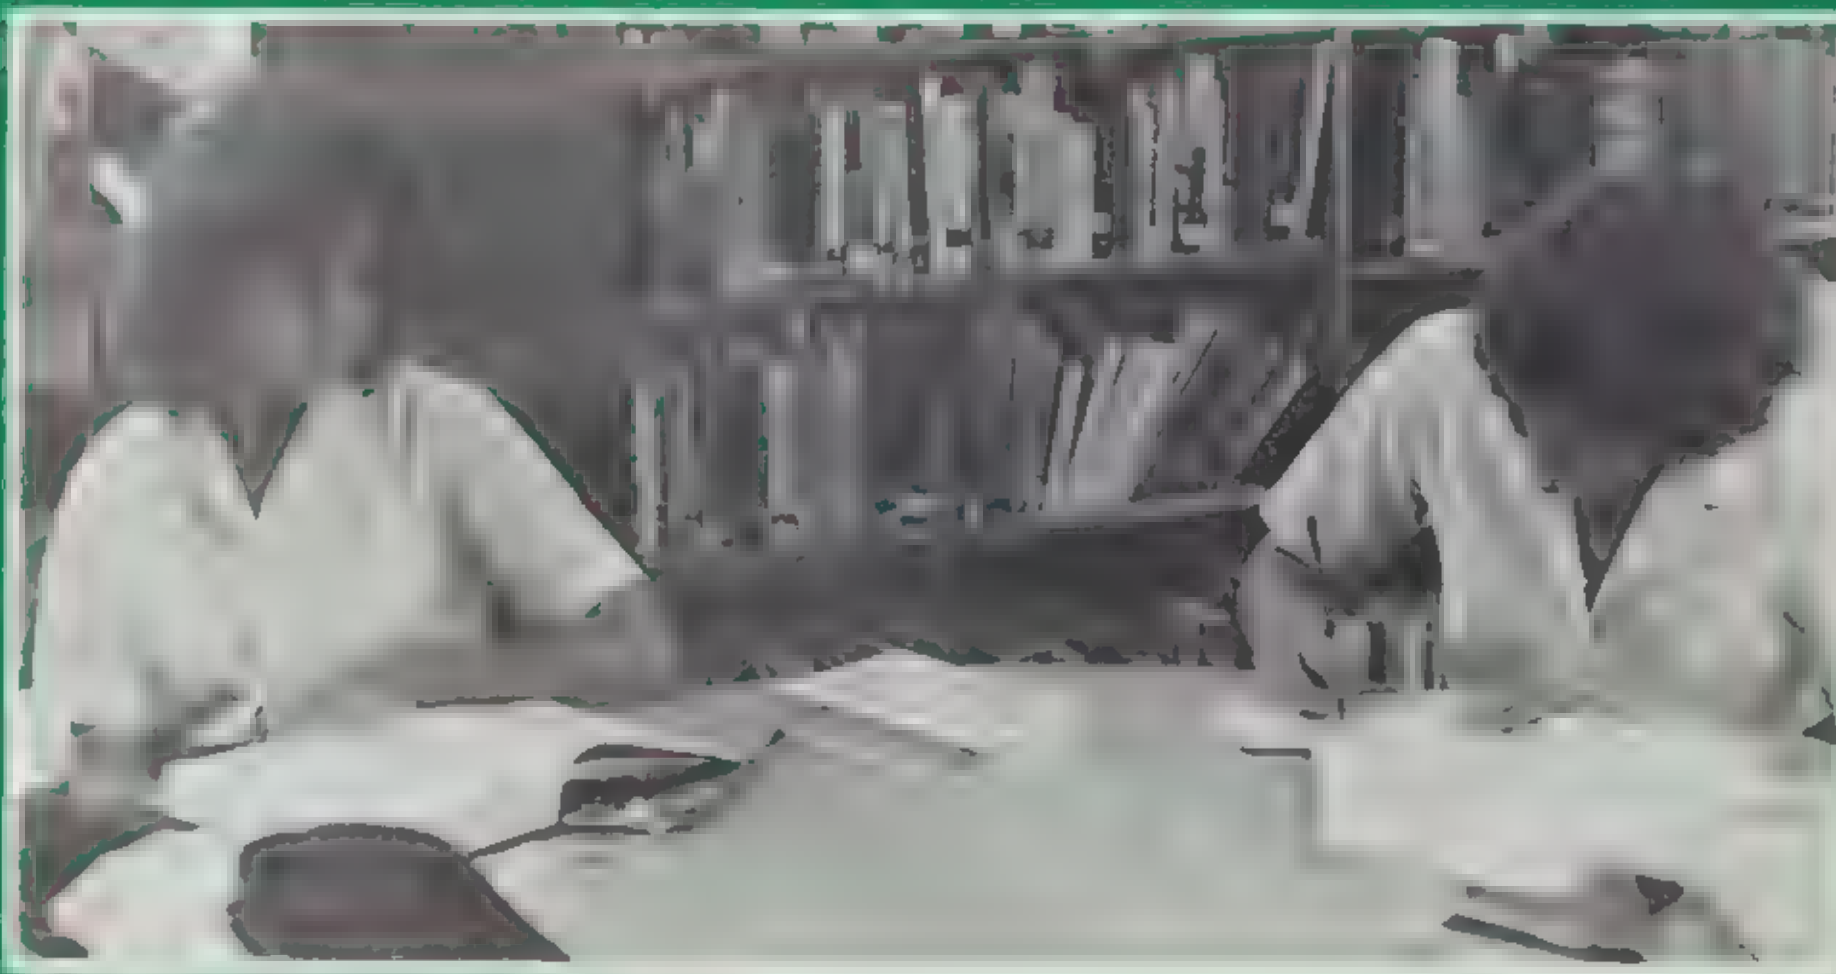

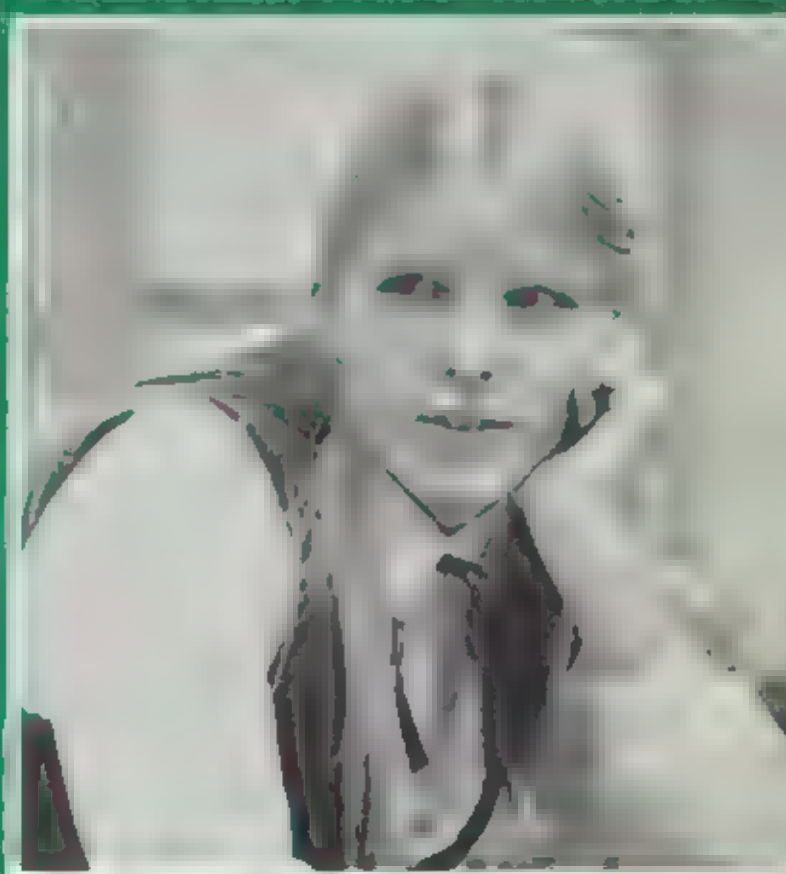

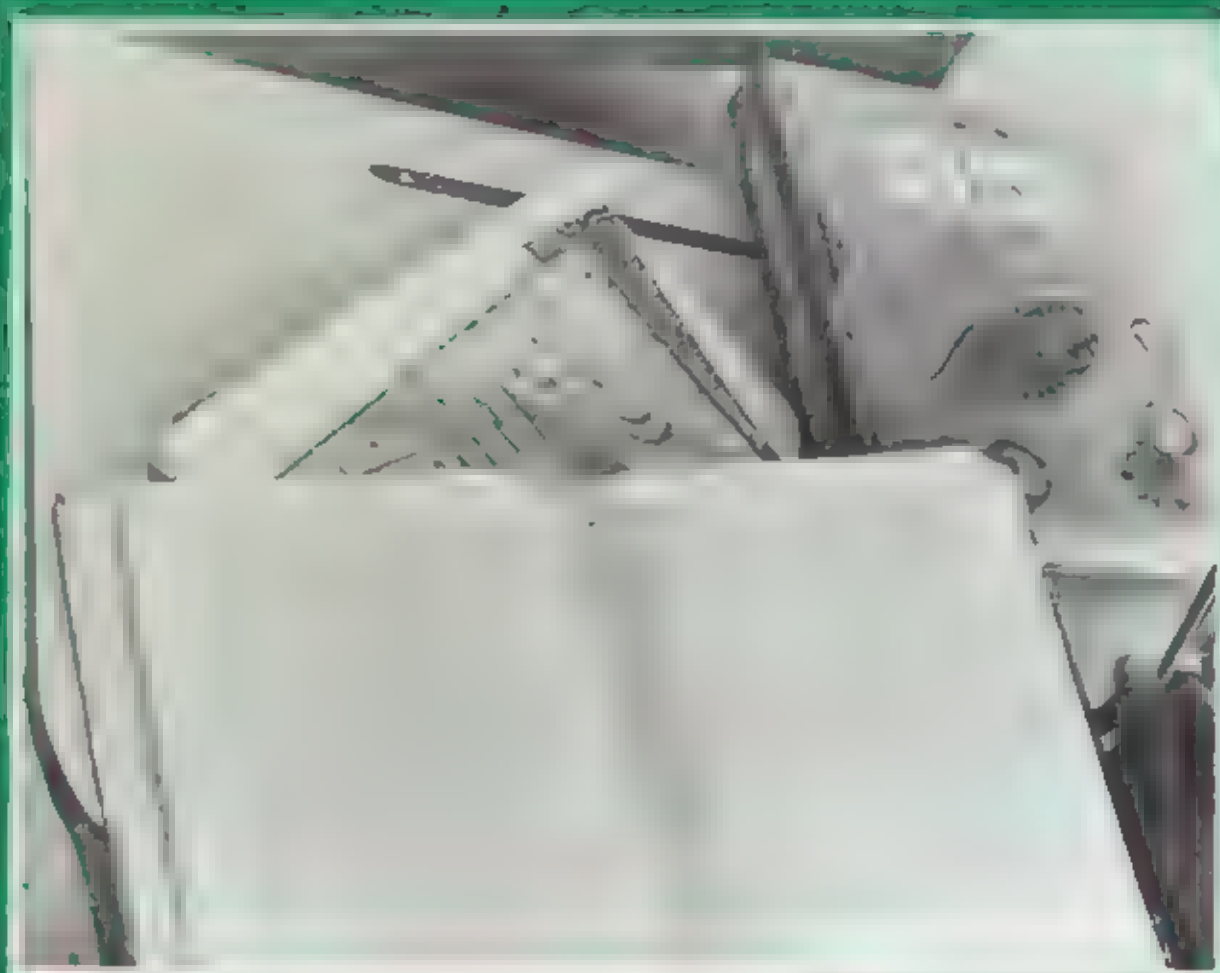

The road can lead to many destinations. Whether we find ourselves immersed within our books or in a relaxed atmosphere of a play rehearsal, we make the journey step by step.

Try to see it my way,

Do I have to keep on talking till I
can't go on?

While you see it your way,

Run the risk of knowing that our love
may soon be gone . . . we can work
it out.

Life is very short and there's no time
for fussing and fighting my friend.
I have always thought that it's a crime

So I will ask you once again . . .

Think of what you're saying,

You can get it wrong and still you
think that it's alright.

Think of what I'm saying,

We can work it out and get it straight
or say goodnight . . .

We can work it out.

The Thrill of Victory

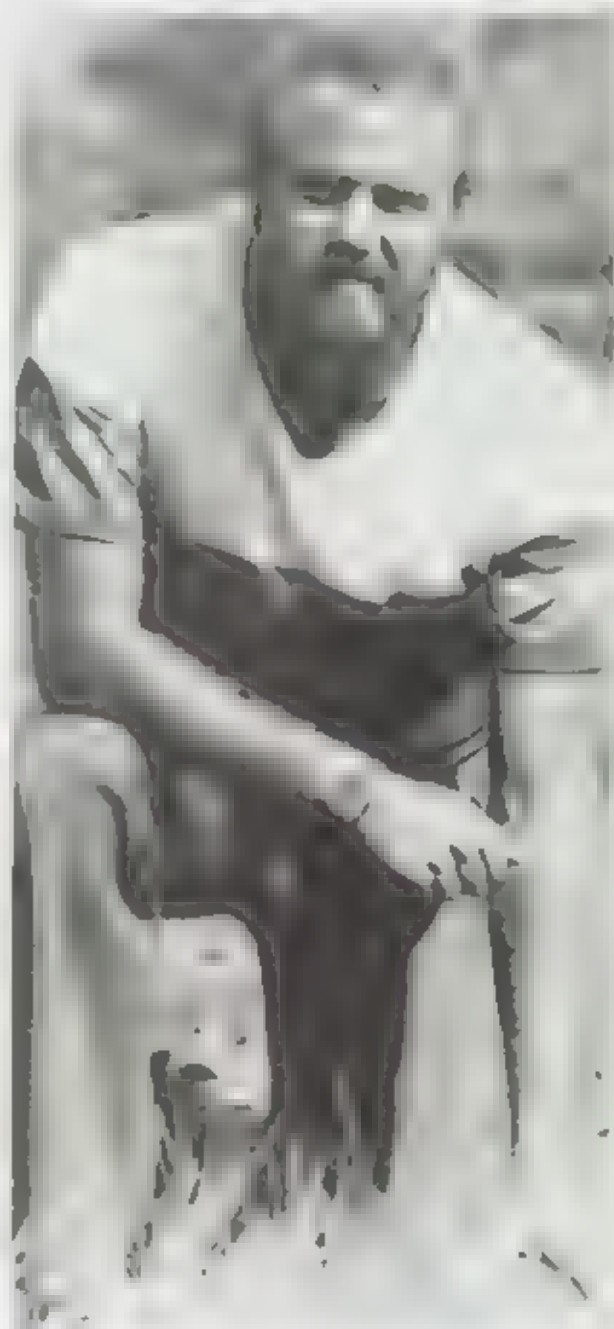

Under the steadying hand of head coach Bobby "Bear" Pittman, the Greenwave Gridders developed a sense of grace under fire

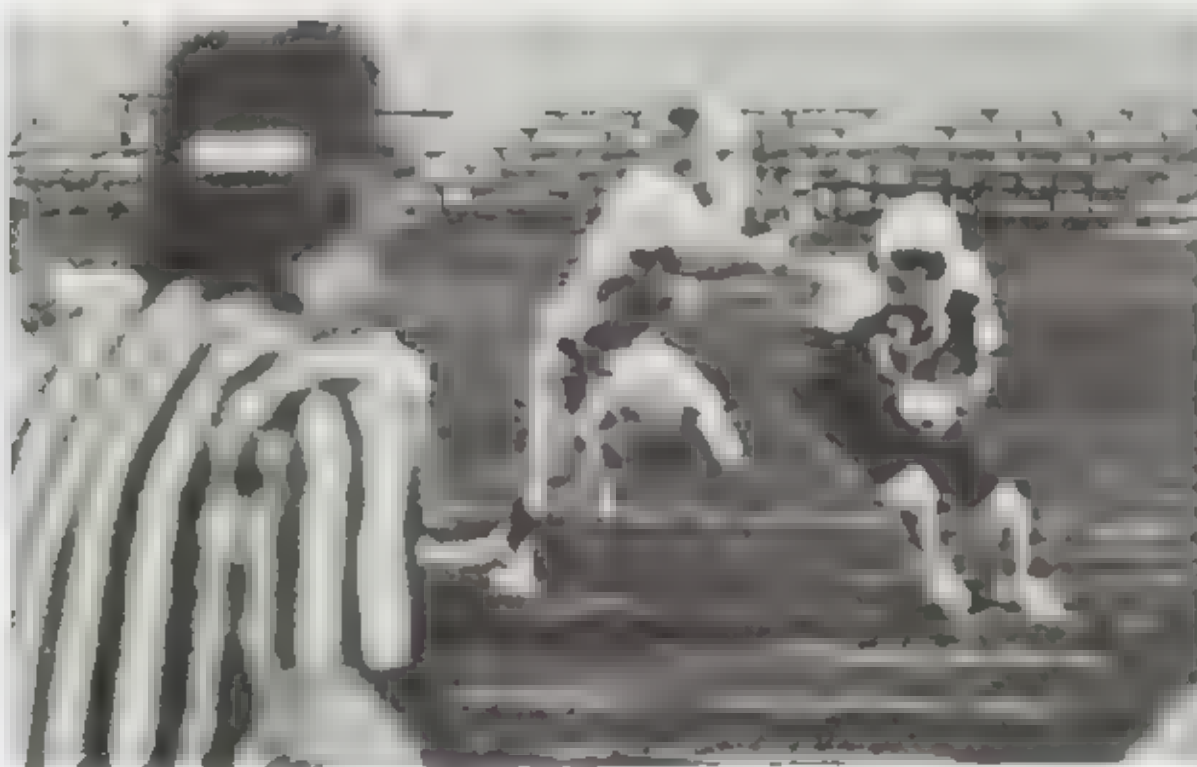

While not reaching their goals, the coaching staff still saw an improving squad develop and progress in the fundamentals. The season served as a springboard for future teams to be formed from and the future of Greenwave football should be bright

The Agony of Defeat

Even what seems like the light from Heaven shining on the Greenwave defense in the picture above, our defensive efforts fell short

Some "bright spots" on this year's squad did come through, including Richard Siler, Ike Brown, Donnie Miller, and Joe Latorre just to name a few

Kneeling: Joe Luranc, Mike Baker, Jeff Hawk, Aphonso Meeks, Steve Jones, David Hughes. String: Brian Herndon, Scott McCarthy, John Brookfield, Keith Herndon, Charles Gustin, Jerry Everetts, Martin Tse. Camera Shy: Coach Bob Kral.

One of the prime responsibilities of the junior varsity football program is to give the underclassmen an opportunity to gain experience and prepare for participation in the varsity program.

Under the direction of coaches Bob Kral and Bob Dey the J.V. gridgers were taught the basics of the game.

Girls' Varsity Spike A Winning Season

The Father Lopez Varsity Volleyball team had, to say the least, a very impressive 1980 season

Head coach Mary Ann Tidmarsh led the Girls to a spectacular 12-4 season. Although the entire team was made up of graduating seniors, Tidmarsh is confident that the junior varsity girls who are coming up through the ranks will produce an equally fine squad

The editors of this book were fortunate enough to learn just prior to deadline that the 1980 Lopez Varsity Volleyball team was named Tri-County Conference Champions.

From all of us on the Veritas to all of you in Varsity Volleyball . . . "Way to go ladies."

Male Runners Look to the Future

Although Head Coach Scott Edwards was disappointed in his team's 35 season

he looks to outstanding runners like Tim Fortier who had a 15:52 three mile run in the Seabreeze Invitational, to help in the future.

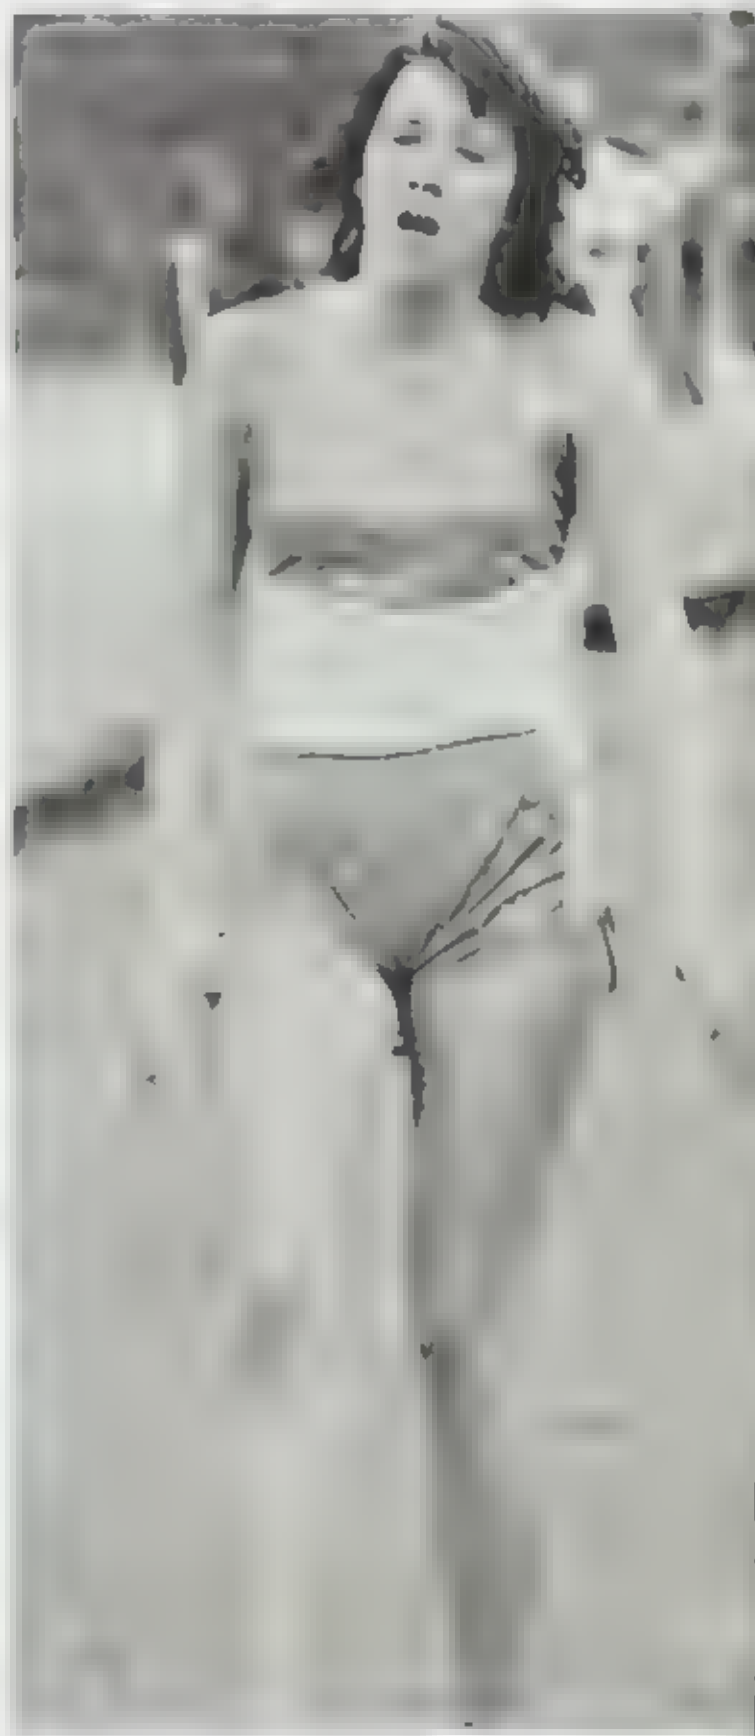

Girl Runners Nearly Perfect

Led by Anne Marie Lill, the Girls' Cross Country team compiled an outstanding 6-1 season. Anne Marie ran to a team best two mile time of 12:15

The outstanding coaching of Mr. Scott Edwards with assistance by Linda Blair allowed the girls to finish fourth in district competition.

As the headline suggests, the tide certainly is changing for the 1980-81 Green Wave Varsity Basketball squad. At the time of deadline, the Waves were 9-8. Quite an improvement over last year's disappointing season.

Thanks to the effective coaching of Coach Dougherty and Assistant Coach Curry, moral is high and the Waves are fired up to make this a winning season.

With most of his team underclassmen, Jay Dougherty expects even bigger and better results for the 1981-82 season. We wish them all the best.

The 1980-81 Lady Waves are shaping up to become quite a ball club. Although the Veritas deadline comes before the conclusion of their season, they already have an 8-6 season. According to Head Coach Jeff Snyder, the number in the loss column should remain as is.

Congratulations to the Girls' Varsity for an outstanding season, and to Coach Snyder for his tireless efforts. As one can see from the pictures on this page, those efforts seem to be paying off.

This years Varsity Cheerleading Squad, with three returning seniors and four newcomers, once again took first place at the United States Cheerleading Association camp. At this competition the squad also had two individual winners. Kelley Dunn won first place overall and Andrea Kivinski took third.

The dedication of these girls led to a fun and exciting homecoming with pep rallies, bon fires, float parades and crazy stunts. The squad under the guidance of sponsor Roberta Snyder, cheered at both football and basketball games. Even if the games were at Frostproof or Ft. Lauderdale they were there to cheer the players on. For the few hours spent in front of the crowds, the squad spent long hours of hard practice and planning to be the successful squad that they were.

Even with a discouraging basketball and football season, the girls were always there to boost the players morale. With all returning members, next years Varsity squad looks very promising.

Boosting Athletic Support

From L R Charles Caravat Jeff Snyder Jack Hooten Neil Pastana and Dick Dzwowski

As with any school, the Student Government Association plays a vital role in providing activities and boosting morale. The Father Lopez S.G.A. is no exception. To their long line of credits for this past year we include a highly successful homecoming day program which included a car push, faculty-student volleyball game, hot dog roast, bonfire, mock funeral, and parade. Following the first annual Walk a thon, S.G.A. provided the Million Dollar Bandstand for those who dared to attempt to dance. And finally this year, John Dylewski and the rest of the Student Government Association sponsored the highly successful Special Olympics for Handicapped Children.

This year, the Father Lopez Chapter of the National Honor Society has been fairly active in both community relations and on campus activities. With Mrs. Sharon Belcher as advisor and Phil d Adesky as President, the chapter hosted a highly successful Christmas party for Head Start Day Care Center children. Perhaps the highlight of the entire day was the appearance of a slightly gaunt but nonetheless enthusiastic Santa Claus, also known as Eugene McCall.

N.H.S. also sponsored Student Teacher Day in which various members of the organization took over for a number of the Lopez faculty and demonstrated their classroom expertise.

Father Lopez "Brain Trust"

The Father Lopez Brain Bowl team, under the direction of Mr. Bill Hunter is certainly wracking up a terrific record this season. At the time of deadline for this publication, the brain team was already enjoying an 8-2 season, having impressed such schools as Spruce Creek, Mainland, Seabreeze, Lyman Seminole and Oviedo.

The two unfortunate defeats came at the hands of Lake Brantley and Lake Howell, nevertheless it did not depress the enthusiasm and drive of this team. We congratulate the Brain Bowl and Mr. Hunter for a tremendous season.

Art for Art's Sake

Last fall, the Photography class, under the direction of Mr. Brady presented the annual Photographic Exhibition. On display were the works of some experienced and some not so experienced photographers, all of which showed talent, taste, and above all, originality.

First place went to Tom Raulerson for his landscape works. Also on exhibit were abstracts, still lifes and portraits.

From the pictures on this page you should get some idea as to the talent that exists at Father Lopez.

This years Pep Club has been very active both in and out of school. The big fundraising activity was the class T Shirt sale. This was done to promote spirit for the homecoming and the walk-a-Thon and proved to be very successful. The homecoming dance was successfully held at the Voyager Beach Motel. A buffet luncheon was set by the members and to add to the evening enjoyment, souvenir napkins and invitations were given the guests

The Christmas spirit showed true when members met every day at lunch for a sewing class. Christmas ornaments were sewn together and stuffed by the members. These were on sale at the Christmas tree sale. The club then went Christmas carolling at the Halifax Hospital's children's ward. Stuffed toys were given to each child as they sang carols through the hallway. It was a very rewarding experience for all that attended.

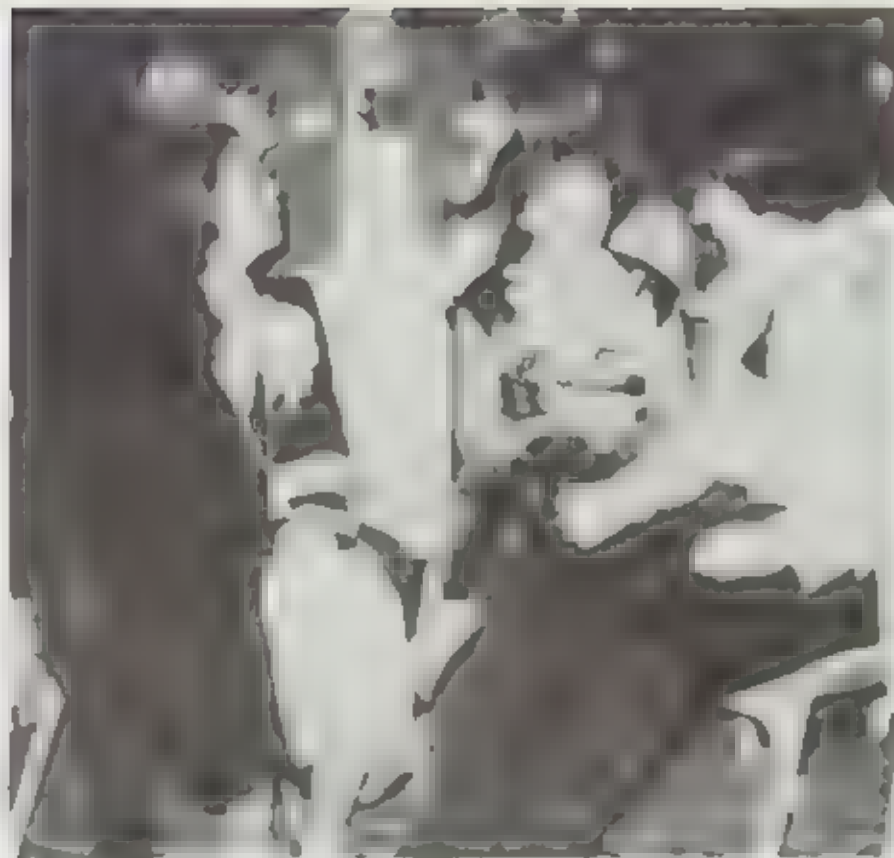

The club is now looking forward to its annual Sadie Hawkins Dance to be held in March. It is also planning a send off party to the Seniors at the end of the year.

What might resemble Further Adventures of the Wilderness Family is only the preparations for the Annual Father Lopez Christmas Tree Sale

Thanks to the tireless efforts of such individuals as Father Bill Messick, Mr. Neil Pistana, Mrs. Nancy Farmer, Mr. & Mrs. Cook, Mr. & Mrs. Jim Truscott, and numerous other parents, faculty, and staff members, the sale grossed twice as much as last year, bringing in a tremendous total of \$6,000.00

While raising this impressive figure, it is also interesting to note that while last year on Christmas Eve there were eight trees remaining on the lot, this year the cupboard was bare on December 23. Good Job

The long and winding road
that leads to your door
will never disappear,
I've seen that road before,
It always leads me here,
Leads me to your door.

Many times I've been alone
and many times I've cried,
Anyway you'll never know
the many ways I've tried
but still they lead me back
to the long winding road,
You left me standing here,
a long long time ago,
Don't leave me waiting here,
lead me to your door.

Studying, building for the future, watching plans form and sometimes fail. These are the times of our Senior year at Father Lopez High School. Preparing to meet the challenges of the future, we have reached the last year and our hopes and dreams of the future are not done in desperation. Thanks to those who worked with us for these four years.

Congratulations to the Varsity
Volleyball Team for an outstanding
1980 season! We dedicate this page
to you.

The President

Father William J. Messick, O.S.F.S. received his B.A. and M.A. in Washington D.C. and is a doctoral candidate from Nova University. According to Fr. Messick, "Lopez is a small institution that offers many opportunities. We have people who swing with the punches and are not closed to change. Our faculty is aware of the students which helps draw the best from each individual student. With God's help, there are no obstacles so large as to prevent Lopez from being the finest school in the area and state, as long as everyone is willing to work

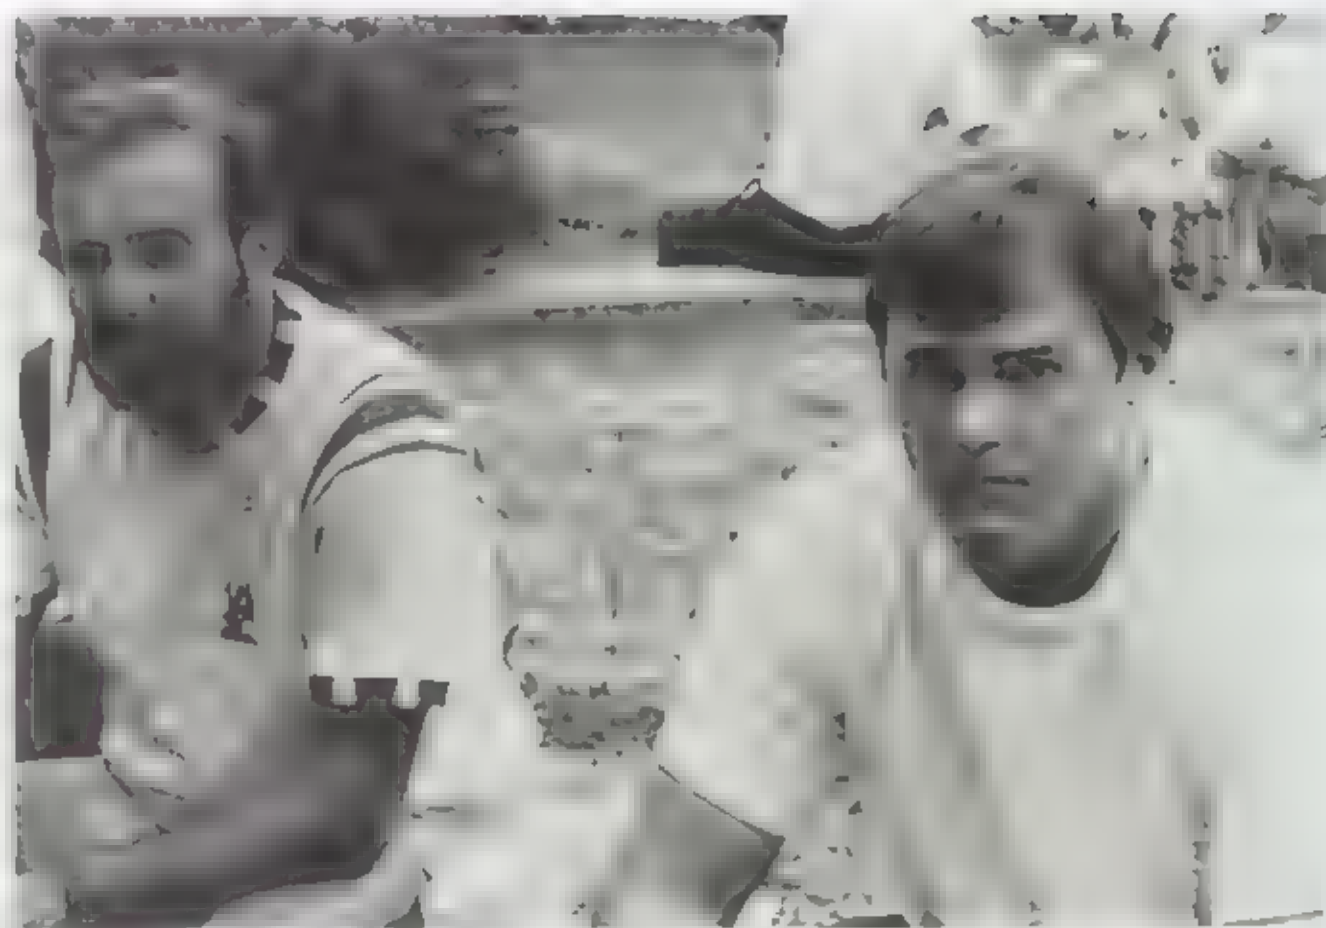

The Principal

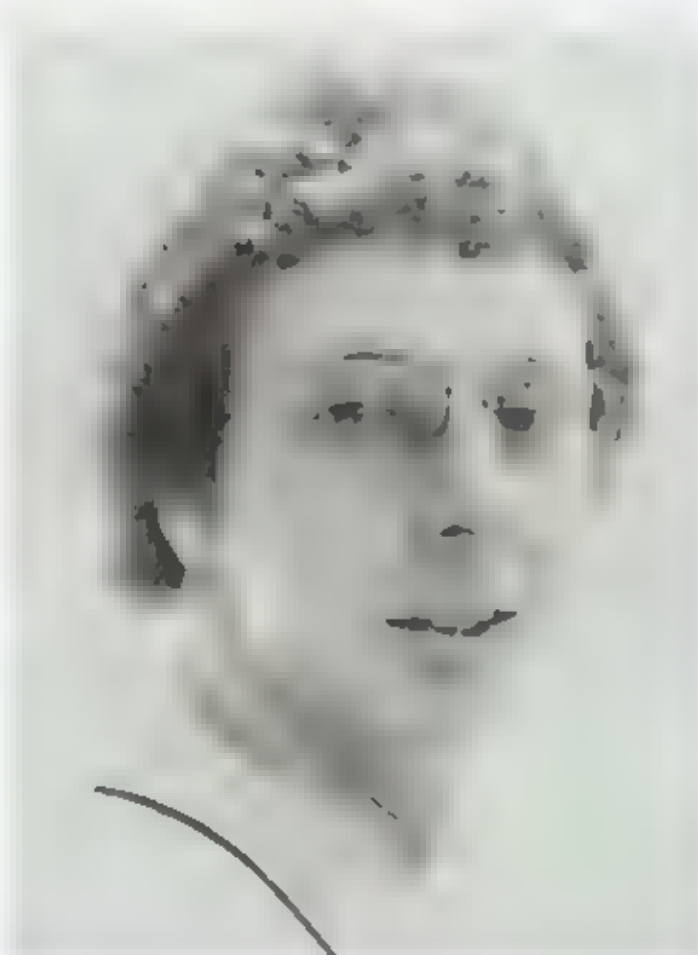

Mr. Neil Pistana received his B.A. in Theology from the University of Dayton and his M.A. in religious education from Fordham University. "People at Lopez are striving to live up to the Christian ideals and values. Students like and appreciate the teachers and the education they are receiving. I would like people to look at Lopez and say it is a fine Catholic high school with the values of Jesus Christ. This is a goal that will take time, but we will achieve it."

Some Out-Takes!

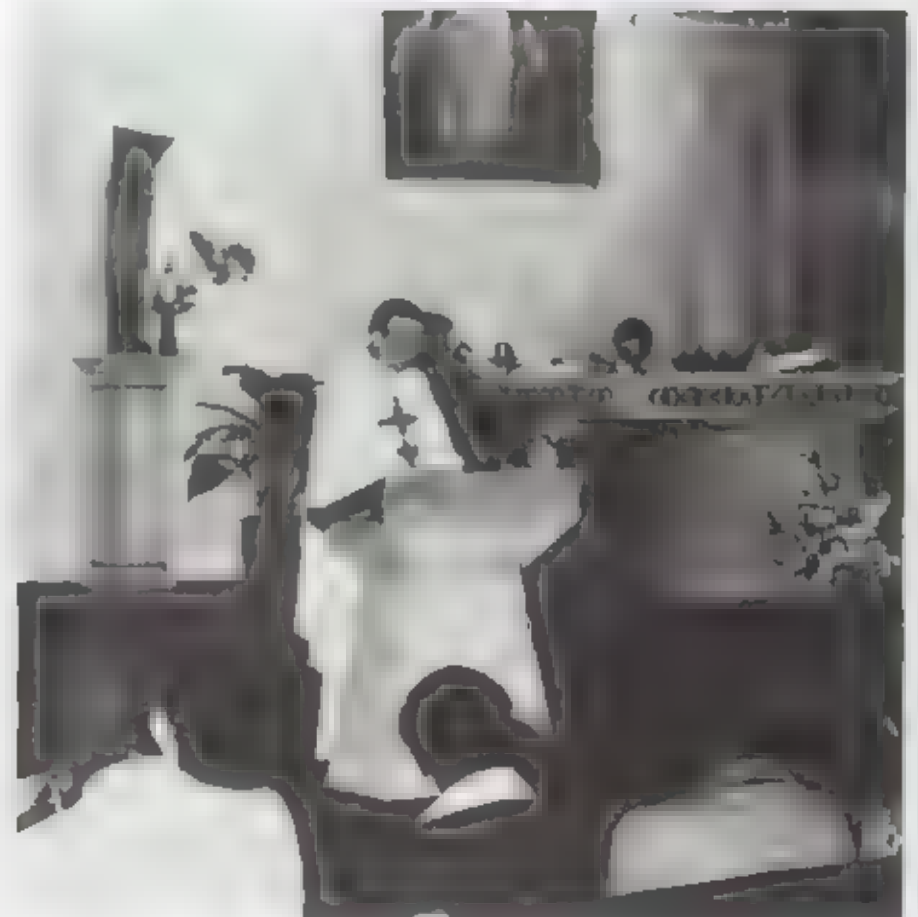

One Step Closer to Commencement

On February 9 the Senior Class of 1981 came one step closer to Commencement with the annual Blessing of the Class Rings at The Prince of Peace Catholic Church.

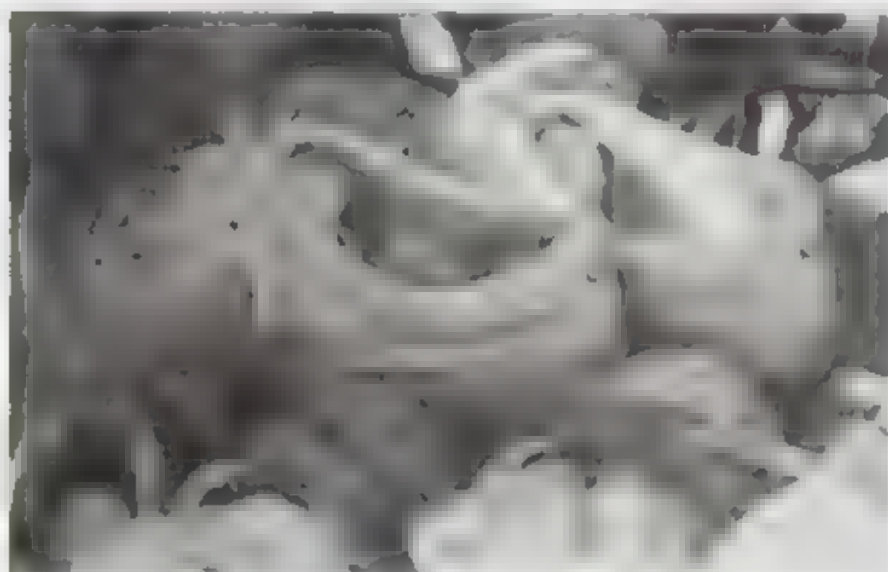

Father Jim Cassidy presided over the ceremonies by performing an impressive liturgy culminating with the ring blessing. Every Senior who has come through Father Lopez realizes that this ceremony marks the beginning of the end on that long winding road.

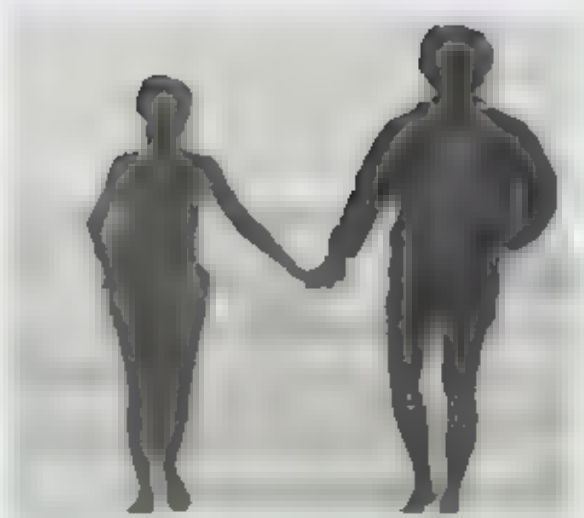

The Agony of Defeet

The morning of November 8, 1980 dawned beautifully and the world's most famous beach was alive with dedicated students, faculty, staff and parents of Father Lopez High School, desperately attempting to complete the first annual Lopez Ten Mile Walk-a-thon

Walkers of all ages, shapes and sizes helped Father Lopez to successfully raise \$15,000.00 in pledges. By noon, it was apparent that these dedicated participants had truly shared in "The thrill of victory and the agony of DEFEAT."

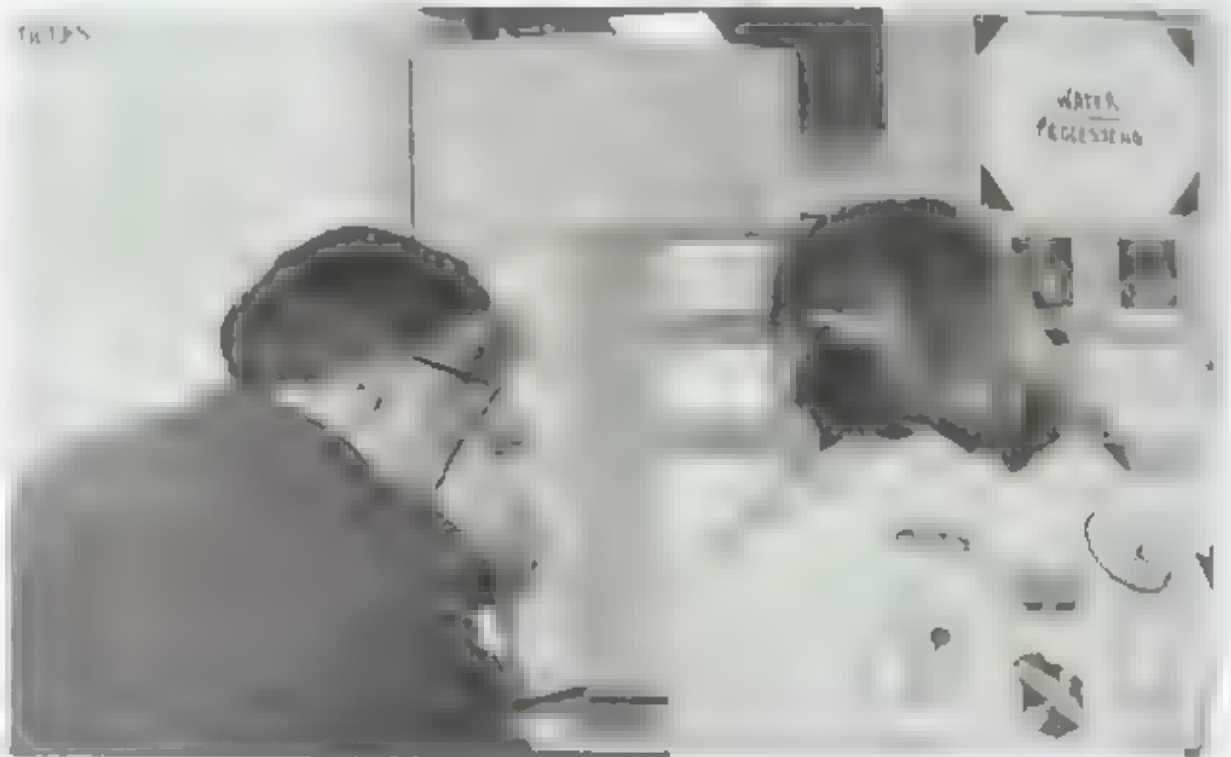

Young Scientists Challenge The Mind

The Father Lopez Cafetorium was inaugurated on January 16, 1981 with the first annual Science and Engineering Fair to be sponsored by the school. Over one hundred projects were presented in such categories as Zoology, Earth Science and Space, Chemistry, Engineering, Physics and Marine Biology. The projects on display indicated considerable research and inventiveness. The fair was co-sponsored by Ms. Cassandra Jerzykowski and Mr. Nicolas Fernandez Jr.

Best in Biological Sciences went to Andree Dumermuth for the Relation between Particle Size and Diffusion

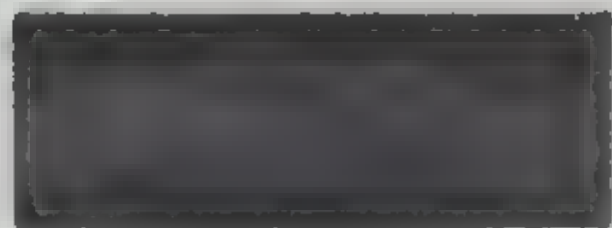

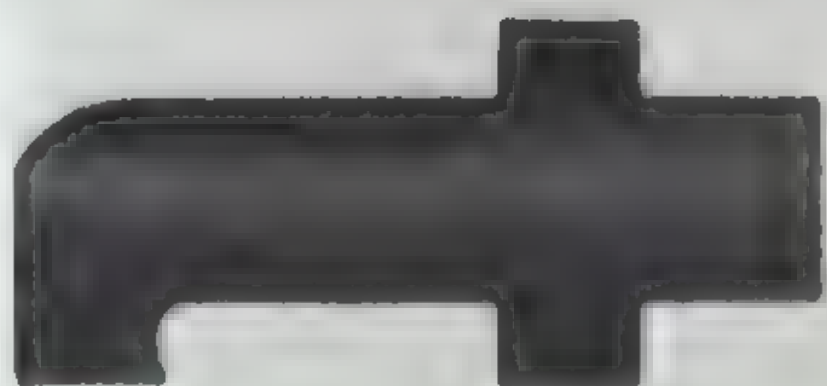

Best in Physical Sciences went to Lisa Goulet for a Model of the Solar System. Overall Excellence went to John Dylewski for Biocompatibility of Plastier and Polymer. Although we cannot mention all those involved in the Science Fair, we do however congratulate them all.

When Football Started In Florida We Were Starting Our 29th Year.

In 1906, Floridians cheered their first college football game. And Barnett celebrated its 29th year in Florida.

Of course, football's come a long way since those early days.

And, we're happy to say, so have we.

Today, Barnett Banks do business with more people in more places than any other banks in Florida. And the reason is simple.

Because for 103 years, we've made a practice of making our customers #1 at Barnett.
